“ Ms.Felicia I can't believe you're gone. I will truly miss you. I remember when I first started working in the classroom with you;you wasn't sure how it would be and you said to Mrs Joyce,"Oh Lord they hired another young girl for this class,I hope she know what to do ". After a week working together,it felt like I had known you for years. We would have many conversations about your kids and I remember you walking into the classroom and you made sure you had your QuikTrip cup with ice and you would ask me to pour some of your Cocoa Cola in it.We would both smile and laugh about it. Everytime I have an ice cold Coke I will think of you Ms.Felicia. Rest in Heaven from Ms.Tiffany

“ My condolences to the family. Ms. Fe' Fe' will be missed dearly. It has been so hard for me to get my words together. When we worked together she always had a smile on her face good or bad. I will remember her smile...When we would go on break and get lunch she would say Ms. Victoria what you want I would say I brought my lunch oh yes 3 piece lettuce well I want chicken. I just laugh. I will miss her beautiful smile. May God keep you all lifted and strengthen in Jesus name. From Ms. Victoria Oglesby

“ My family will always remember Ms. Felicia with her warm smile and our afternoon laughs as we picked up Layla. Layla would always jump with excitement if she got to spend time with Ms. Felicia when she would fill in the early morning shift. Prayers to her beautiful family.

“ I have so many touching memories of Ms. Felicia and they will always remain in my heart. She would say don't cry for me, I'm not gone, my soul is at rest and my heart lives on. Light a candle for me to see and hold on to my memory, but save your tears for I am by your side. My prayers and love to the family, she will be missed.

“ We are so sad that Ms. Felicia won't be able to see our son walking, talking, and learning every day. But she'll surely be watching over him always, and sending sugar to her Little Bubba. We thank God for the days he got to spend with her; we loved her as part of our family, and are grateful for the love she gave us.
