“ Dear Uncle Felton, aka Uncle Butch

I am writing this letter with a heavy heart as I mourn the loss of a truly remarkable person in my life. Your recent passing has left a void that can never be filled, and the impact you made on my life and the lives of those around me is immeasurable.

You were more than just an uncle to me; you were a mentor, a guiding light, and a source of unwavering support. From the moment I was born, you embraced me with open arms and showered me with love and affection. Your kindness and gentle nature made you a pillar of strength in our family, and I will forever cherish the moments we shared together.

Throughout my life, you served as a constant source of inspiration. Your positive attitude, resilience, and unwavering faith in the face of adversity taught me valuable lessons about perseverance and finding joy in the little things. Your zest for life was infectious, and I will always remember your infectious laughter and the way it lit up the room.

Not only did you touch my life, but you had an incredible impact on those around us as well. Your generosity knew no bounds, and you selflessly gave your time, energy, and resources to help others. Whether it was lending a listening ear, offering wise advice, or providing a helping hand, you always went above and beyond to make a difference in the lives of others.

Your passing leaves a void that can never be filled, but I find solace in knowing that your memory will live on through the countless lives you touched. Your legacy of compassion, kindness, and love will continue to inspire and guide me as I navigate through life.

As I bid you farewell, I want to express my deepest gratitude for everything you have done for me. My heart swells with love and appreciation for having had the privilege of calling you my uncle.

Rest assured, your memory will forever be etched in my heart.

May your soul find eternal peace, and may you continue to watch over us from above.

With all my love,

Shon and Family
