“ Hi Victoria,

It is with deepest sympathy and sincere respect that I extend my heartfelt condolences to you and your family for the loss of your son. Children are a miraculous gift from God that we love, nurture and protect all of the days for which we are blessed to have them be with us.

I cannot begin to understand your loss, but I know that he is now with God, and all is well; better than he has ever been and now truly living his best life. Hold tight to his precious memories, when you think of Floyd, laugh out loud, cry out loud, smile tenderly and joyfully, never forget all of the joy he brought to you and your family during his amazing life.

May the Grace, Love and Peace of God be with you today and always!

Prayerfully yours,

Christmas

“ *Victoria, Floyd, Victoria and Franchesca, you all are in our Hearts, Thoughts and Prayers. I can't even begin to tell you how sorry and broken hearted I was to hear of Floyd, Jr's passing. I know this is a very difficult time, just know that God is in the midst of it all and he will truly carry you. I often wonder how I got through so many deaths in my own family and I look up and say that I am here and at this point by the Grace of the Good Lord, he will truly get you through.*

Hugs from the Kemp family, Joanna, Bernard and Brianna.
