I worked with Floyd during his employment at NSH. He was the most caring, kindest person God put on this earth. Everyday he would stop and say hello asking if we needed anything. He would make us smile. I am fortunate to be able to call him a friend.

“ *Mr. Floyd, Mr. Floyd .. he was the shining light of NSH/Interchange building. Spreading love every where he went. Always had kind words, willing to help anyone who needed it. Joking and just being a father, brother, uncle or friend to whom ever. Mr. Floyd will be GREATLY missed by all he came in contact with. We are all sad that he's gone but we rejoice in knowing he is in the presence of the almighty GOD. Rest peacefully Mr. Floyd, we love you.*

“ *Mr. Floyd was the heartbeat of the HR department at Northside Hospital. He was proof that sometimes the most important person of an organization isn't always the CEO; sometimes he's the janitor. It just won't be the same without him. Rest well Mr. Floyd.*
