“ *Ms. Chisholm was my neighbor and boy will I miss her... What a kind lady. She shared a lot of stories with me and made me laugh often. I thought the world of this dear lady! I have many special memories of her and things will never be the same without her! I know she is happy now and she won't ever have to feel pain or illness again... My prayers are with her family (which she was so very proud of). May God lay his gentle hand on you and comfort you all during this most difficult time... Fondly...*
