“ *Condolences to the Gilbert family. Hope someone sees this. Mrs. Frances and my mom Vera Hunt were friends when she lived in Chester Pennsylvania back in the 1970's. Over the last few years I was thinking about my mom and what friends she had left here on earth. I remembered that Mrs Frances had moved to GA back in the early 70's I believe. I remember my mom being sad and a picture she showed me of her kids. I knew Cathy but the twins in the picture I never meet. I looked forward to speaking to Mrs. Frances after all these years. I have relocated to GA. On a whim/guess I remembered I went to school with Carlos Gilbert-Humm. Wonder if they related and by chance they were! I got super excited to talk to Carlos (I had not seen or talked to him since high school -early 80's) but unfortunately she passed one year ago. I felt really bad. She was always nice to me- sorry I didn't get a last chance to talk to her. God Bless Cathy, the twins (whose name I don't know) and the entire Gilbert family.*

Thanks,

“ *Frances is Frances what you see is what you get. A very warm and tender soul, she was that energy that kept my spirit alive at work. Her favorite expression "if you don't sit you will end up just like me" but the Lord has better plans for you. SIP Frances take your rest now. Give the angels some joke up there.💖*

“*Kat and Family y'all have my deepest sincere condolences and prayers. My heart actually hurts now for you. I have been there where you are now and I know the pain all too well. My praying really kicked in during this time. I prayed over and over for God to give me strength. He did. I pray for strength for all of you. Your Mother is with her creator, her Heavenly Father. She's ok now. Love ya.*
