“ I meet Fran in 1992 when she came to Wichita, Kansas, we soon developed a friendship like Johnathan and David. A True friendship that involved loyalty, sacrifice, compromise, and yes, emotional attachment. She shared with me what is expect of a Godly Christian Women through her teaching, helping and been there for other people. So, rest now my friend in Abraham's bosom and I will see you in the future in our God Kindgom in Heaven, and know that my tears will be tears of joy and happiness from having been given the opporitunty of knowing and having you as a true friend. And I understand that our God took you because you did what he wanted you to do here on Earth.
Farwell my Sister, and in the word of Apostle Paul ' Here laid up for me a crown of righteous"
