

Francisco Manuel Furtado Freitas

October 6, 1965 - February 13, 2025

Francisco Manuel Freitas was born in Paget, Bermuda, to Antonio and Maria Freitas. He came to this country and found his home in New York, Arizona, and then Georgia. He graduated from Queensborough Community College, and went on to be a Call Center Director for many of the world's premier medical and insurance companies. A devout Catholic, Francisco dedicated himself to others as much as he did to his lord and savior Jesus Christ. From CEO to beggar, no man was above his compassion when called upon.

Francisco is survived by his devoted wife Barbra Freitas; daughter Ashley Freitas; sons Antonio Freitas and Ryan Freitas; grandson Wesley Freitas; mother Maria Freitas; sister Fatima Lavelle; brother Antonio Freitas; friend and mentor Nancy Valla, as well as the innumerable lives he touched and helped through his journey in life.

Eternal rest grant unto him, O Lord, and let perpetual light shine upon him. May Francisco's soul be guided to you and rest in your eternal peace and grace.

Amen
