“ Wow. So many memories, it's hard to choose just one. Uncle Franco you made an enormous impact on my life. From game nights to dancing, from taking us to practice at Ives Estate Park to just having conversations. You set an example for me growing up on what a Husband and Father looks like. You were an amazing man and emaculate father. You will truly be missed. Until we meet again, Janice.

“ I can't remember Franco getting angry to the point of losing it. He was easy going, but very outspoken and goal oriented. He was always a part of the fun and liked to do so with those whome he considered his friends. He made friends for life. His love for Angela was obvious from we first heard of her till now. It is a blessing to have met him.

“ Errol Scully
God saw you getting tired
And a cure was not meant to be.
So he put his arms around you
And whispered ‘Come to Me’.
With tearful eyes we watched you
As we saw you pass away.
Although we loved you deeply,
Your Golden Heart stopped beating,
Hard working hands at rest.
God broke our hearts to prove to us.
He only takes the best. Those we love remain with us
For love itself lives on,
And cherished memories never fade
Even though a loved one is gone,
Those we love can never be
More than a thought apart,
For as long as there is memory,
They’ll live on in the heart. You’ll
Always be remembered.

“My dear Franco! I'm going to miss you calling me "baby girl". I am sad knowing I will never hear you say that to me again. I will cherish the advice you always gave me. You always tried to teach me patience! I want you to know I carry that with me and try to make an effort! Thank you for always being so great, Franco. You never got to meet my babies but you always made sure to ask about them and we always shared memories about your kids and how it will all pass way too soon. I'm glad you're no longer hurting but I'm so sad about the void you have left. You will be missed my friend!

To my friends who I met about 25 yrs through your wife. Franco the King or my son I referred to has. I come to your house eat at your table and tell you Franco I am not going home tonight. Know matter I could speak my mind to you, and sometime it was harsh, but you never curse me out only says Sister Fay and walk me out. Whenever you come to Miami and time is against you even when you going back on your flight you had to stop give me money and encourage me. Franco I will missed these precious time we had together with your family and you. Franco you are resting sleep in 🕊 my Son until we meet again. Remember you never lost a battle. I will never never say good bye, but see you.

My condolences to the family and friends of Franco. Over thirty years ago we don the blue together at Jamaica College. It was a wonderful experience with him there such a giving individual. I am aware that creator has summoned him early so as to attend to divine duties. I am confident that he will rest in eternal tranquility.
