“ Mrs. Frankie was a family friend and she played a major role in my childhood. Whenever she left home to shop, she would make a call to let my mom know and they were off to see what they could find. From school events, groceries, back to school shopping you name it. Mrs. Frankie would come get my mom (because she didn't drive) and pack 4 little girls in her back seat and off we went. I regret not being able to tell her that she was appreciated. Mrs. Frankie, thank you for the kindness and generosity you showed my family over the years. You will be missed.
