“ I was heartbroken to hear of Frank's passing. Such a young productive life gone to soon. Frank was my student in 7th grade in 1974. A fine young man heading toward greatness even way back the. May the family be comforted in knowing he made his mark in society, left a legacy of achievements and accomplishments. May he rest in peace. Sincerely, 7th Grade Science teacher, Mrs. Nilotis Jones Marchan.

“ *Frankie you loved your Westbury childhood friends and we loved you! It did my heart glad when you Greg, and Clarence treated us all to a get together in Cantiague in 2019 and then you made an effort to DJ for us at our last class reunion in October 22. I will always remember you saying "I had to be here. No question!" Thank you for your friendship and the kindness you showed to us all. May you rest in peace and my your legacy live forever in our hearts! ❤️*

“ I'm still shocked by this news. Even though I didn't know Frank on a close personal level, he made me feel like his friend when I walked in his store to get my mail. I can tell he was a great man by the way he treated me, everyone in the store, and seeing that he must have been a great father and husband. My sincere condolences to this wonderful family. Please don't hesitate to let me know if I can ever do anything for you Frankie and Mrs. Pompey. Praying for you.

“ Frank and I met at Scientific Atlanta when I was a New Supervisor on the production floor. Frank always said how he took me under his wing and showed me the ropes when I first started. Both being from the NY NJ area we got along very well. Franks positive outgoing personality was contagious and was evident with all the visitors he had at his work bench on the production floor. Frank and I worked together for a few years until he moved on to the repair operation. We stayed in touch and remained friends throughout the last 25 plus years. His positive attitude and out- going personality will be missed. God bless your family my friend the world was a better place with you here. Thank You My Friend. Mike Owen
