“ Keep in mind Jesus' words recorded at John 11:25....I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life. May you have peace as you Draw close to God (in prayer) and he will draw close to you. -James 4:8

“ Although I only knew Frederick for a few years. We grew together to have a beautiful daughter and a close relationship. I miss him so much. He always had an open heart to love everyone. I wish I knew how to heal the pain, but when times are tough I just close my eyes and ask Frederick to give me strength. I will always love Frederick and be able to carry him with me through our daughter. Love always, Sylvia and Noella

“ Fred was my husband's best friend. Fred was there when ever we needed him. I will enjoy the lake, dinner, and kids playing memories forever. I hope Noella and Chloe will be friends for their lifetime to contine their father's friendship. I know Fred is up there right now making God laugh. That is why God needed him. Love, Heather, Derek, Chloe and baby Cade

“ Frederick was my first love and we were young adults when we fell in love. He thinks i taught him how to love but i think we taught each other. Although times changed, I knew my heart was with him and vice versa. Lord knows we had are moments, but i never turned my back on him. He knew where home was and when he was ready he was coming back. I have no regrets because WE, knew what we had and nothing can ever take that from us. His family is and always will be MY FAMILY, and i love them all very dear. He was that dude, and i will forever hold him close to my heart....Love always and forever, Rene

“ I was Auntie to Frederick and my mom was Grandma. He never addressed us by anything else! He loved coming over the house to play cards with Grandma and so did she. He always showed us respect every time we seen him and he was always sincerely happy to see us too. He became a friend to my son. Frederick has been a part of our family for many, many years. Through good times and bad he was still a part of the family! My niece loved him truly for many years and always will! And I know Frederick truly loved Rene as well! It breaks my heart to see the pain she is feeling. And it breaks my heart to know the pain the family is feeling right now too! Some how, some way God will ease your pain in time. Please believe in God! I promise you, the memories and love will always stay within your heart! You will never forget him! But some day the pain will ease and you will feel happiness and joy within again! With Heartfelt Condolences from The Capek Family: Auntie (Mary), Grandma (Mary), Mike, Viktoria, Tony & Amanda

“ Fredrick touched our family in a big way. He was my sons friend. He always had a smile upon his face, or a funny thing to say. He always made time for our little ones. It has been a few years since we have seen him, as we moved back to Michigan, but he was often a thought in our minds. The world will be less of a beautiful place without him in it. To his family we offer our prayers and thoughts at this time. Know we will always hold your brother dear and close to our hearts. May God bless you and help you through this sad time. Love the Jablonski family. Phil, Tammy ,STacy, Stephanie Philicia, Samantha, Autumn.

“ Fred was everthing to my daughter Sylvia and darling grand daughter Noella. He was also a son to me. I will never forget his smile and the way he would say I love you mama. My heart is broken. I know he is with my dad in heaven and watching over us all. But it still does not heal my heart. He was a great father and loving man. He Lived, He Laughed and Loved us all. God please put your arms around my son and show him the love we can not. Please let him watch Noella grow from afar and guide her through life. She will know him from storys and pictures and will be in her heart always. I LOVE YOU SON MAMA, TAMARA
