

Frederick Clarence Chisholm

January 22, 1949 - November 11, 2025

Frederick Clarence Chisholm departed this life on November 11, 2025. We know he is at rest with our Heavenly Father.

Frederick was born on January 22, 1949, in Los Angeles, California, to Freddie Clarence and Juarmeta Chisholm. He was the third child of six children. At an early age, Frederick accepted Christ and was baptized at Mt. Sinai Missionary Baptist Church, beginning a lifelong journey of faith.

Frederick graduated from Thomas Jefferson High School in Los Angeles with honors in 1967. He continued his education at California State University, Los Angeles, where he earned a Bachelor's Degree in Business Administration. His career spanned several corporations, where he distinguished himself through his intelligence, professionalism, and dedication.

In 1988 Frederick accepted employment with the Los Angeles County Assessor's Office. During his tenure, he rose to the position of Director of Assessor Operations, a role he held until his retirement in 2016. It should be noted that Frederick received numerous commendations for excellence in his work. However, his greatest aspiration above any and everything else was his extreme devotion to his mother, both during and after her lifetime.

Frederick devoted much of his past time enjoying attending and watching movie premieres, gardening, taking daily walks with his beloved dogs, listening to various forms of music, and baking Sweet Potato Pies and Nilla Cakes for friends and family. He was also a car enthusiast and a connoisseur of fashion. On any given day, one might find him out and about shopping at

his favorite retailers, conquering deals. To Frederick, every deal was more than a discount—it was a victory. His friendly personality drew people towards him. Beyond his professional and family concerns. He was also very charitable with several organizations and found pleasure in helping those in need. He was greatly admired and loved by the people he touched.

He leaves to cherish his memory three sisters, Gail Smith, Jennifer Simpson, and Juliana Jenkins; two brothers-in-law, Jacob Smith and William Simpson; along with nieces, nephews, and other relatives and close friends. He was preceded in death by his parents Freddie and Juarmeta Chisholm, his sister Carmetta Chisholm, his brother Michael Chisholm, and his brother-in-law Christopher Jenkins. He leaves to cherish his loving memories to a host of nieces and nephews, grandnieces and grandnephews, family members and special friends.

His memories as a devoted brother will remain forever... Celebration of Life will be held on Saturday, December 13th, 2025 at 3:00pm at Gregory B. Fred and I were coworkers for many years. We had a lot of laughs together. I met his sisters while buying plants. I visited his sister Carmetta in Las Vegas. I was surprised to learn of his demise. I would like for a family member to contact me and give me more information. My name is Alfred Franklin. My phone number is: 310 918 8347.

“ Fred was my supervisor and mentor for several years, and I learned much from him about how to understand the big picture, yet to also always take the time to get to know those working around you. He had a terrific sense of humor, and a wonderful ability to say just the right thing at the right time.

“ Fred and I worked together at the Assessor's Office for many years. He was part of a walking group I was in, and through those walks I got the opportunity to know him a little better outside the office. Fred was the only one in the group who didn't change out of his suit and didn't sweat, even when we were doing difficult hikes in the heat of summer. He was a true mentor and a beautiful soul. I've often thought of him in the years since he retired, and his name comes up often when those of us who have been here 20+ years start talking about the best-of-the-best at the Assessor's Office, and the people we miss seeing the most. Fred was a man of faith, and I hope his faith gave him comfort in his transition beyond this world. I am so saddened to hear of his passing. My deepest condolences to his family.

“ The word of his death was devastating. I can kick myself for not keeping in touch. I got busy with life after my retirement. Fred, you will always be a special kind of person in my heart. I know you loved pomegranates and whenever I look at my pomegranate tree, I think of you. The last time we saw each other was when you picked up pomegranates in my house. You were, as always, looking so dapper. You loved looking sharp. I prayed last night that God will welcome you with open arms in His house, your final home. Thank you, Fred, for being there for me. It was not the same anymore when you retired from the office. With much love and more pomegranates, Essy S. Cajulis

“*Fred and I were close friends while working together and after retirement. We would go to lunch once a month until he contacted some sickness and never saw each other after October 2017. He was very intelligent and articulate. I would like for a family member to reach out to me and inform me of his health issues and how he got from Los Angeles to Georgia. My phone number is: 310-918-8347. My email address is: alfredfranklin40@gmail.com. Thank you very much.*

“ My Uncle Frederick always helped create and establish the family get togethers. He always encouraged all the nieces and nephews to get our education and go on to college. He often gave me money for school clothes And when I started college he would send money to me in the mail and tell me to not tell others. Which I didn't lol.

When I graduated from California State University of Los Angeles my uncle was present. My uncle kept beautiful homes and always had a nice car. He was also a very sharp dresser. My fondest child memory at his house was these two beautiful Afghan dogs named Ebony and Ivory. My uncle was kind and funny but if you made him mad he was not the one to play with.

When my daughter Jaz was born he always sent her a birthday card with money and at Christmas as well. I remember my uncle working for Toyoko Bank and later for the County Assessor Office and I was so proud of him. I truly miss him. He will be missed by so many,loved by so many and remembered by so many. Rest easy Uncle in paradise. Love your neice Vanieca

My deepest sympathy to the family of Mr. Frederick Chisholm. I met him when I joined the Assessor's office in March of 1991. He was kind and patient with the clerical staff at the Van Nuys office. He was a thorough gentleman and was respected by all. I now live in Georgia, I wish I had gotten the info earlier, I would have attended his funeral service. I live just twenty minutes away. Fred was my friend. May St Peter be at the pearly gates to welcome him home. Rest in God's eternal and perfect peace.
