“ We can't begin to imagine what you are feeling, but please let us share our heartfelt condolences. In just a little while all of the pain and sorrow that we feel from the death of our love one will cease and be replaced with joy, because the former things have passed away. “ Again I say I am so sorry for your loss. When I read the post I was in a kind of shock that hit me hard. I hadn't spoken to Fred in awhile, but I always thought about him from time to time or spoke about him to my friends. I pray God comforts you all who mourn and gives you great strength.
