“ Rumsey, Man I can wrap my brain around this. Veta and I just spent some time with you this past August. You were still the trash talking Fred lol. The look on your face when Veta walked in that door was PRICELESS. You were about to jump out of that chair and was at a loss for words, which is not you lol. You could feel the happiness in your soul fill the room. That’s what friends and family do show up. You will be missed by all Fred, pardon me Rumsey because baby he checked me on that 🤔.

“ I will miss Rumpsey. He was my first cousin on my mom’s side of the family. The last time I saw him and his girlfriend was in the spring of 2022. I didn’t realize that it was going to be the last time he saw me and my brother, Alvin. We enjoyed him and the girlfriend for the brief visit. He was always thinking of family. He loved everyone and he will be deeply missed. We love you. May he RIH 🌺🌺🌺🕊️🕊️
