“ Sweet Boy, I remember when your mother carried you and when you were born. Although your time on this Earth was not long, your life has a purpose that will continue into your Heavenly journey. Your mommy and GrandMommy will ensure that your legacy lives on and that your bravery and resiliency is known to many! Love you.

Thanking God for his life , and the gift that he allowed our paths to cross . Certainly as I continue to be at a loss for words , I extend my heartfelt condolences to this family of the sweetest child I knew . Gabe was my baby , and I loved him from day one of our meeting. I will truly miss him and the joy he brought to my life . Rest on love in the arms of our great creator and the one who loves us best .
