

Gabrielle Johnson

January 18, 1988 - June 30, 2024

Gabrielle Andrea Johnson departed this life to return home with the Lord our God on June 29th, 2024. Gabrielle was born January 18, 1988, in Atlanta, Ga. A natural born leader with abundant talent to include the gift GAB...As a child she was always talkative and could mix and mingle even with the adults. She astonished everyone she came across and quickly grew into a woman who met no strangers.

As a Gates Millenium scholarship recipient, she earned a bachelor's degree from Spelman College, a master's degree from the University of California and was in pursuit of her doctorate's degree. Gabrielle never stopped her pursuit of a higher education. She volunteered in her community helping Veteran's, tutoring children, mentoring adults and children. As a tax professional, Gabby prepared tax documents for clients, friends and family. Gabby's drive pushed her to set new goals, that pushed her to keep reaching and achieving the goals she set while still focusing on being the best mother.

On October 14, 2023, she stepped out on faith and accepted a position, relocating to Alabama to become the Financial Director of Accounting at Faith Chapel Christian Center.

She dedicated her life to raising her child Savannah Grace, instilling true values, principles and morals that will strengthen her throughout life and the

roads ahead. Gabrielle was a faithful believer in GOD and his greatness. She never questioned or wavered in her faith.

While striving to become a certified accountant (amongst many other talents), she enjoyed performing. Spoken word-is her favorite form of self-expression and being a plus sized model who didn't mind the spotlight walking in fashion shows and performing live.

Gabrielle, Gabby but known as "Andrea" by her family is survived by her only child Savannah Grace, her grandmother, mother, father, stepdad, brothers, sisters, great aunts, great uncle, aunts, uncle, cousins and In-law's.

With her pure heart, she had so many unbreakable bonds with people she considered extended family (aka her tribe). Nurturing meaningful relationships and connections with friends, co-workers, teachers, church family and her community in both Atlanta and Alabama. Gabrielle Andrea Johnson will always be remembered for her bubbly personality, love of others, patience, understanding and her tremendously kind heart.

“ I had a dream about you this morning. You were just as kind and warm in it as I remember you being during our days at Spelman and BOA. Can't believe it's been over a year. You're still loved and missed dearly. ☐🕊️

“ My condolences to the family. I pray God's peace and comfort during this time of bereavement.
I knew Gabby as a co-work(WCCI) and as a parent at NCELC, where her baby girl attended daycare. I had the pleasure of greeting Gabby everyday, as she hurried to get to her daughter. As a parent, she had the biggest smile and hug waiting for her precious child, as she called her by her nickname, and asking her how her day was. My sincere prayers for her daughter. Great is her Peace, for she is taught of the Lord.

Your beautiful baby is that reflection of you. Fly High Our Angel. Andre and I planted a tree in your honor. That tree represents your carefree spirit and you will always live on. Gabalicious Jenkins (Johnson) you will truly be missed! I loved you from day 1. We had many conversations over the years and I truly enjoyed your perspective. My heart is in shock because you were so young and full of life. 💔 Just know that the Jenkins family will support Savannah in every way possible. We know and understand that education was high on your list of priorities for Savannah and we are committed on helping JJ keep that going. Take your rest! We love and miss you....until we meet again 🕊️ 📖 🍫 🗑️ 🙏

Gabby will be missed by many, and I write this as tears fill my eyes, but I have the wonderful memories and laughter, and... experiences of her presence. I want this message to be for Savannah, who is too young right now to understand these words but, in the future, will have this message and the other acknowledgements for encouragement. God is present during our times of loss and sadness, although it may not seem like it right now. God's righteousness will prevail for you just as it did with Job. God makes no mistakes. Her work as a human was done. That may seem foolish because she is your mom and you need her, but she is an angel now, and she can help you and more people as an angel than she could have ever helped as a human. She will always be there when you need her. She's in your heart. Speak to her and listen to her with your thoughts, your dreams, and your prayers.

*With love,
Ms. Ro*
