“ To: James, your siblings, and extended relatives, I and my siblings would like to express our heartfelt condolences on the passing of your mother(my friend, and sister in the Lord) Mrs. Davis. I have such profound, enjoyable memories of the many talks (mostly about the Lord Jesus) your mother and I have had, over the course of several years, I had come to know both her and your dad. I pray that after this day, when the thoughtful condolences through every available medium have ceased, calls, and everyone has gone back to their daily lives, that the Spirit of God would continue to comfort, and strengthen your hearts regardless of the time of day when you think about your dear mother. - Graciela Campbell
