“ *I am very sorry to hear of the passing of Gary. He was a bright light and a huge help to me when I lived in Georgia. We met when I started teaching at Robert Shaw and due to health reasons I left but Gary remained someone I could count on and call when I needed anything. If something broke at my house, when I needed help moving if he could be there he was there. He was just that kind of guy. He never asked for anything. He was like a big brother and will be greatly missed. May the Lord Bless him and Keep him. May the Lord bring peace and strength to all of his family and loved ones during this difficult time. My deepest condolences to you all.*

Sending love and condolences to Sharon and the family. Gary will be missed but will never be forgotten. He was more than just a friend. Our world is a little less fulfilling when we lose a love one. Gary was loved by many, especially our Scottsdale family. Peace unto us all. Sleep well Gary.

I visited him a few times before he passed. With me, I'll remember Gary for a couple of things about Gary. 1) Basketball 2) Trash Talking. Mostly I'll remember the trash talking. Gary was always respectful towards me. I thought he was a good human being. Every time I saw him, the conversation was always jovial. RIP young man. 🙏
