“ We are very selfish when it comes to losing our love ones. We want them with us even when we know they will not have quality of life. Gary was always very kind, even as a child. Gary always smiled even when things were not going well. I am sure my sister (his mother) and God welcomed him with open arms. I will miss our visits after Church. I wish we could have had you here longer... but God knows best.

“ Our thoughts and prayers are with the Walker family. In times of distress we need comfort that soothes our hearts. May the peace of God guard your hearts. Thinking of you all.
