“ *I will always remember Victor as "Vic". That is what they called him in his loving home. I was fortunate to be one of the many young people whom Momma Marian and Papa George Evans opened their doors to. I was even more fortunate to have come very close to Veronica and Victor; I consider her my sister, and Vic my brother. One cannot capture in words Vic. He was a very special man! Rejoice with Veronica as we see him home!*

I will always remember Vic, we called him George. So kind and respectful, smart, and an all around person you would want to call your son. He was blessed to have such a wonderful close knit family who helped make his life the best it could be until God called him home. His family zoom meetings, his daily phone calls and text messages really made his day. I feel blessed to have been able to see such love for family. I will miss George but I am happy to have had the opportunity to be a part of his life. His friends in Lithonia continue to miss him. We thank God for giving us the time with him that we were given. Many thanks to his family for all that they have done for us. We are all truly grateful. God Bless You.

Dear Veronica, Julius, and family,

Words cannot express how saddened we are to hear of your loss. We have such fond memories of the times Nic joined us for our family Thanksgiving dinners.

Cherish the memories you made together over his lifetime. Those memories will bring you comfort and peace. In moments of loss, the essence of a beloved brother lingers in the memories and hearts of those left behind.

With love and remembrance, we share in your sorrow.
