“ My sincere condolences to the family of Gerald C Wade. I truly hope in the days ahead you will be able to be comforted by the promises our Heavenly Father holds out to us. At John 5:28,29 he assures us that we will see our loved ones again. We will not welcome them back to the same problems that plague mankind today, such as sickness and death, but to a world that is free of all these issues (Revelation 21:3,4). I pray that these words, along with the love and support of family and friends, will give you the strength you need to get through this difficult period.
