“ To Paul and the children. Words can never express our loss as we share in the homegoing of our beloved Gerri or Cutie as we affectionately called her. From our days in the Valley up to this present time, we were family and will continue to be until we meet her again. Our lives are a little bit richer because of the genuine love that our families shared and because Gerri was Gerri. We are trying to think of fun things we said and did together over these 50 years we were tight. Perhaps it will ease our pain some if we are able to do this. Sorry we can't be there physically with you tomorrow, but rest assured, we will be there in thoughts.

“ *To the Kerr Family,*

I extend my deepest sympathy and condolences to you. Having Geraldine as a classmate and friend has been a great and rewarding experience that I will always cherish. Her sense of humor and attitude of caring made her a special person. May God comfort and sustain you during this period and remember that an angel merely gained her wings.

Geraldine was a beautiful person with a wonderful spirit. She had a great sense of humor and I remember many conversations we had that were filled with laughter. I know she will be missed by you and many of her friends and acquaintances. May God provide you with the comfort of knowing she will be remembered and that she touched many lives in a very special way during her time here on earth. May you find strength and comfort in knowing that she will always be with you in spirit.
