“ We I know this must be a very difficult and demanding time for your family. In just a little while for the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. Where is caring thoughts.

“ Ursula, I heard you speak of your mother though I never met her. Working along side her daughter for so many years, I know she was wonderful woman to have raised such a beautiful and caring daughter. Patrice and I send our condolences and our affirmation of faith that you will see her again.
