“ Dear Robinson Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ To the family of Gerrell Robinson: My sincere condolences to you on the passing of Mr. Robinson. God Bless you and keep you in your time of bereavement. Gerrell was a giving person with his time and his talents. I was inspired by his generous spirit. We trained together and he was always willing to lend a helping hand to his peers and be an overall team-player. He is missed!  
Respectfully,

S.B. Lowe

“ To the family, I'm sending my sincere condolences. Gerrell was 1 of the percussion instructors at Miller Grove HS when I was still in school 10 years ago. I played baritone and most of my guy friends played percussion. I remember him always cracking jokes and having a smart mouth. But he always taught a lesson even through the joke. He also used to hook me up on a phone discount from T-Mobile after I graduated from school. He'll always be remembered by me as a fun, loving and caring man. May he rest peacefully and may your family find comfort during these hard times.

Sincerely,

*Ebony Moore-Allicock*

“ *To the family of Gerrell...may you find peace and comfort during your time of bereavement. I am one of the CCPS staff members who worked with Gerrell at the Professional Learning Center. I thank God for the time he spent working in our school district. He genuinely cared about students and cheerfully availed himself to anyone who needed his help. I am thankful that God gave him a season to influence in positive ways the lives of the students he taught and the staff with whom he worked. Gerrell will be greatly missed. Dr. Linda F. Kight*

“ When you were in the building, you didn't have to say a word. God's presence in you was so bright that he allowed you to share that with us ,in a place where it's often needed”, for just a little while. Keep shining and adding to the joy in your well earned rest. God has you now and all of his blessings flow through you.
