“ Sis.Diane, has a sweet spirit! No matter if she needed to correct you about something, she did it in a Christian & godly manner! She was always concerned about others, especially the children! We spoke on the phone a few times & I loved how she would end our conversation with "bless you sweetie! Bye " I will truly miss her! My prayers are going out to her husband & sons!

“ Dear Deacon Martin, Ezekiel, and the entire family of Sister Diane:
I thank God for the gift of Sister Martin to the body of Christ at large, and for the gift she was, specifically, to Morning Star Full Gospel Assembly for so many years. Her creativity as a teacher, commitment to ministry, herbalist knowledge and skills, and love for God were a rich blessing to us during your tenure here in the Bronx. She was such a generous soul, and, though she will be missed, it's so good to know that her legacy will live on in the hearts of both her natural and spiritual families in Georgia, Antigua, New York, and wherever the Lord led her.
May you all experience God's love, comfort, strength, and peace now and in the days and weeks to come.

“ Sending love, prayers and condolences to the family of Sister Gertrude Diane Martin. Sis. Martin shared natural remedy books and lentil soup with me during my second bout with breast cancer. I thank God for the part she played during my recovery. I will always remember her fondly. To God be the Glory for her life among us.

“ *My Heart is tearing, as I try to remember our last conversation, your spirit was beautiful inward and outward, your voice calming as you minister and encouraged me with words of wisdom and love. Diane was truly a woman of God, a heart full of love for all whom she touch, prayed for and ministered to. May she Rest In Peace and Rise In Glory. May the echo of her voice, her smile and laughter always be embedded in our hearts. Rest on my Sister!*
