“ Gina , you will always be a part of the dynamics, I remember when you said oh lawd it's Kathy time to bat, well girl I hit that ball and you , said go Kathy run , run girl run, we laugh so hard that day, singing we are dynamics, the mighty dynamics, Gresham Park! Our second home, it was nice talking to you recently, remembering the old days, good days. Will miss you sister, from another mother.

“ I remember dreaming of a clown running with me in the beach. I had this dream very often growing up. It was so vivid. I decided to tell you one day about it, and you told me you had dressed up as a clown for my 2nd bday and we played in the beach. Love you mommy.

Gina was such a wonderful person. We served in the Navy together and we were roommates. Four of us had a house together. After she and your dad married she stayed with me when she was very pregnant with Jennifer. Your dad was out to sea. Your dad got back like two days before Jennifer was born. We had so much fun together. I will always treasure those memories of Gina. Such a big heart and so much love for her children.
