“ *My Aunt Gladys. She will always be remembered for all the fun she brought to our lives. You could always find her having a good time. I don't expect heaven to be any different. As for me, I'm saddened by her earthly departure, but I know there was a smile when she saw her daughter and my Granny and Dad. Not to mention the others in our family that have recently transitioned. We love you Aunt Gladys and we miss you! No more pain. You have earned your reward.* ”
