

Mr. Glen Ferra Jett

November 8, 1969 - August 13, 2024

Mr. Glen Ferra Jett was born to the late Herbert Jett Jr., and Precious Willie Mae Brundidge-Jett on November 8th 1969, in Norcross Georgia. He was the youngest of nine children. At the time of his transition, he was 54 years old.

He was educated in the Norcross Public School System at Norcross High school. He entered the workforce at an early age. He started his career working at Ciba Vision Manufacturing Company, where he resided for years until he went off to start his own business (Jett Performance) located in Lithonia Georgia. He was committed and dedicated to servicing the community through his passion for European cars.

Beyond the love for his family, Glen had a passion that was unmistakable - his love for cars, particularly BMWs. It brought his heart joy when he would talk about the precision and engineering of machines as a testament to his appreciation for craftsmanship and beauty. Just as a BMW is known for its balance, power, and attention to detail, so too was Glen known for the care he put into repairing and rebuilding cars. Whether it was a Sunday drive or simply sharing his knowledge about BMW's, Glen found joy in the simple pleasures of a finely tuned engine.
