“ I remember when I met Mrs .Glenda. I was surprised to see a black woman so successful and I told her I wanted to be like her and she said I have a Father that loves me. She was speaking of her father God. She inspired me to open a business for myself and when I be one successful I want to give back to my community and be as honored and blessed by my father God.

“ Greetings, we send our prayers and condolences to your family. Mrs. Dembure would sometimes stop when she'd see me outside working in the yard. She spoke very highly of her family and mentioned how blessed she was to have her husband. I also remember her sharing how much she enjoyed her business and helping people. She truly inspired me. May your family find comfort during this time and always. - The Kinney's (Demoine and Marita)
