“ *My friend Glenda... there are no adequate words to describe your beauty. Words cannot express the kindness and love you gave everyone . You taught me so much, you listened to me, you shared stories with me and you permanently left a mark in my life. I'll never forget the times we spent together laughing and sometimes crying. You were one of the wisest people I have ever known. You were also full of so much spirit and energy. In all you did you gave your heart. You may be gone from this world but you will forever remain in my heart for all my days. My friend Glenda...I love you dearly and although this world will never be the same without you heaven gained an angel. I know we will meet again one day but until then I will honor your memory and cherish your friendship. My friend Glenda... you made a difference in this world. You made a difference in my life in such a wonderful way. You are loved and treasured forever and your wise words won't be forgotten. . Thank you my friend Glenda. May you Rest In Peace and in the arms of the Lord. I know you are with him now . I love you my true friend, Love your friend , Barbara and John Morris.*
