“ *Ms. Glenda was an amazing person and friend. She meant so much to me. I can tell stories after stories about times that we shared together. Its been times that I come home from college and visit her and wouldnt leave until midnight because we sat up laughing and frying fish! I'm really going to miss her. The Miller family has always been my second family. This will never change. You will be missed dearly. I love you, Your Ren*

*Glenda,
You were a loyal and faithful friend. You were there for me and for my family in times which were sometimes fun and sometimes sad, but always there to support, thank you. I don't know how I would have done all that needed to be done after December of 2000 without you. You were a wonderful caregiver and a wise and gracious woman of God. I will always remember our good times and serious times, as you helped me care for my parents. Also, I will never forget how we took care of each other. I will miss our talks, Glenda. I wish we had more times together, but now you are at rest with the Lord. Please tell those we love in Heaven with you we love them. Eventually, we will all gather at the River of Life and spend eternity together with God.
Blessings, Brenda*
