

## Glenn Anthony Jones, Sr.

January 25, 1959 - June 8, 2020

Glenn Anthony Jones Sr., was born in Brooklyn, NY, to Herbert and Lillian Jones on January 25, 1959. He graduated from Boys High School in Brooklyn, NY where he played football. After graduating from high school, Glenn enlisted in the U. S. Marine Corps, where he served two tours of duty. Glenn lived in southern California and worked as a non-destructive testing Supervisor, while serving in the military. He later moved to Atlanta and went on to earn his Bachelorette Degree from Strayer University with honors. After the Marine Corps, Glenn worked as a long-distance truck driver, international freight broker, real estate agent and futures trader. Glenn was a devoted husband, he adored his wife, Pamela. Glenn and Pamela both enjoyed vacationing and traveling, Mexico was one of their favorite destinations, they went on cruises to many different countries for their birthdays and anniversaries.

Glenn loved his children, and adored his grandchildren and had a special place in his heart for the oldest, Jammarr. He would always say “God Bless the child that’s got his own”, encouraging his children to be independent. He enjoyed the grandkids sleep overs, weekend stays and vacations, especially the trips to Florida, and shopping with and for them.

Glenn had a beautiful tenor voice and sang in the church choir for many years, he loved being around people and he welcomed the opportunity to tell of his high school athletics. Glenn was overjoyed to reconnect with his high school buddies, on a trip to Brooklyn a few years ago. He loved attending their

annual reunion, and could hardly wait until the next one.

Glenn played tennis, bicycled, rock climbing and deep-sea fishing and later in life his favorite things to do were watching Nascar racing and getting together with his tailgate buddies for football and with his neighbor buddies for sports events and to play pool. He loved all these guys.

His jokes were free flowing and his laughter was boisterous. He was a friend to many and always took the time to encourage all who would listen, Glenn will be sorely missed.

Glenn departs his loving wife, Pamela, their son Anthony, children from his previous marriage, Glenn Jr., Jaisha and Jannae, his sisters Shirley, Karen, Cherise, the late Jennifer and Loren, 9 grandchildren, his cherished Aunt Gwendolyn, cousins and many friends.

Mr. Glenn Anthony Jones of Stone Mountain, GA passed on June 8, 2020. Services entrusted to Gregory B. Levett and Sons Funeral Home, Gwinnett Chapel (770-338-5558).

“ In loving memory of my father ....  
You are and always have been my hero.  
I was blessed to know you as my father.  
You were always there to encourage and push me to success. Even through my struggles you were there. I never thought today would be true, you are no longer here. To laugh with me, cry with me or have a good ol' time, which was our favorite past time. They say the mighty will fall but you have risen to heights reached by many. The Grandchildren including my 5, will miss you so much. No holiday will be the same and no sunrise will be as bright without My Daddy ❤️ I love you and thank you so much for being my father, best friend and forever my HERO!

“ On behalf of the 1976 City Champions, The Boys' High School Football team. We would like to pay honor, respect, and homage to our beloved Captain Glenn Jones. Glenn was a key component to our championship team; he started both on Offense and Defense, where he was nicknamed "Bear" for his massive size and tenacity on the field. Glenn lived across the street from the football field, therefore he never had a good reason to miss practice, and he never did. Though he was a formidable competitor on the field, off the field he was a kind, generous and jovial soul. A good and dependable friend to all; and valiant defender of Family, friend, and team. In recent years he and his beloved wife Pamala would join us at our annual HS football reunions at Coach Percy and his wife Barbara's home in Clemmons North Carolina. When we first saw Glenn we didn't recognize him. We all know Glenn to be a big dude, but actually he was much bigger. that's when he intimately shared with me he struggles his prostate condition. If even though he was a strapping handsome Blackman, he suffered struggles that average people could not see... "Though Black men appear to be strong and invincible; many of us do have underlying conditions where the simplest stress, trauma, and brutality due to our color can be fatal to us." Never-the-less, Mr. Jones maintained his dignity, his humanity, and his kindness despite his challenges; and because of this, we hold him in high regard and esteem. God Bless Pamala, Glenn II, Glenn III, and all his entire family and friends for supporting our great Warrior Teammate Glenn Jones. He will never be forgotten.....Pedro Barry QB, #14

*I remember when I first met you I was a little boy in the hospital with no home no family and I was heavily on medicine at 8 years old. So much I couldn't process or think I went through so much and finally when I turned 14 you took me under your wing and gave me everything I ever wanted as a child vacations, birthday parties. Every holiday and moment with you was special. I remember every game you came to every track meet you were always there for me. As I grew older I started going through stages and I know we never saw eye to eye during that time. I miss those days fishing at the father and son retreats. I just wish I would have done better as your son you will always be my hero fly high pops*
