“ Although I didn't have many interactions with Mrs. Beavers, The times I did have the opportunity to be in her presence, were very memorable and special to me. She struck me as a person who always had the right solution or words for every situation.

“ On the rainy morning after we laid my graceful Grandmother to rest... I woke up with with love, grief, laughter, and sorrow in my heart & tears in my eyes. In the midst of my prayer for strength, the clouds opened up. It was just a brief moment but the sun peeked out of the dark, stormy clouds and was shining extremely bright. I had to move the curtains back to make sure I wasn't imagining things. She was the Sunshine in the midst of the storm. She ensured me that all is well with her soul. My Grandmother is smiling. That beautiful smile...

My Grandmother is the epitome of grace, peace, love and strength. I am determined to carry on her legacy and make both of my Queens (my grandmother & mother) proud.

I love you forever my sweet Grandma. Rest well in paradise. Say Hi to Granddaddy for me. <3

“ My dearest former Mother-in-law Gloria Beavers, I first must say I'm so thankful I had you as a mother-in-law. I appreciate the relationship we had and the love you always showed me. You had such a loving way about you, I never felt like an outsider. Although it has been many years since I spoke or saw you, you were never forgotten. Your smile, laugh and kindness is something I will not forget. I will always love you and think of you often. Rest well classy lady, love Sonya Beavers

“ Arthur, Debbie, June, Reggie, Berna, Kent, Angela, Andre', Anthony, and all of the host of family and friends: you are in my thoughts and prayers, during this most difficult time. I send you my love, my empathy and my sympathy in the loss of your beloved mother, grandmother, great-grandmother, and our aunt. There are so many wonderful memories that I'll never forget of Aunt Gloria...her endearing smile, (with those absolutely beautiful dimples), her magnificent culinary skills, and her loyalty in the love and support that she showed our mother in the sunshine and in the rain, (her sister), the late Ruth Inez Shropshire Momon. I will always remember the last words of encouragement that I heard from Aunt Gloria: "Be happy..." Beloved, please remember the words of our Lord and Savior Jesus Christ, who died and arose so that we all might live, if we exercise faith in Him: "I am the Resurrection and the Life. He who believes in Me, though he may die, he shall live. And whoever lives and believes in Me shall never die..." - John 11:25-26. ---Love and Prayers, Lisa Momon Stephens and Family

“ *My Grandmother had a laugh like sunshine. Her warmth was radiant and her beautiful smile was absolutely brilliant! She always made her family feel loved and cared for. When I look at her children, grandchildren, great-grandchildren and great-great grandchildren I see her extended legacy and the impact of her nurturing spirit. My head and heart are full of joyful memories of a woman who enjoyed life with her family. From beach vacations, to family gatherings and celebrations, and even shopping trips to Rich's, I always remember seeing my Grandmother as an exuberant woman, who carried herself with style and grace. And oh, those HATS! Her hat collection was unparalleled and she was ready for any and every occasion. I know that today our hearts are filled with sorrow, but tomorrow will come solace and comfort knowing that she lived not just with us, but for us, and we must continue her legacy of love for generations to come.*

“ *What I will always remember about you Grandma, was your beautiful dimples & smile. You always carried yourself with such poise, head always high & always loving. You have such a beautiful legacy with love for family & God all around it. I would love to see you planting flowers when we pull up & OHHHH to get a piece of that famous chocolate cake. Our Beavers family BBQ's were my favorite. When you & Granddad were so proud of me at my graduation, it made me feel so good. My first Shirley temple was with you & my Aunts at Red Lobster for my Birthday. Thanks for the love & memories Grandma. We will carry on tradition of love, family, togetherness no matter what. REST WELL QUEEN* ❤️❤️❤️
