GL

“ My husband and I met Gloria back in 1996 in church at the time she was married to Mike. Gloria and I became very close friends. She met no stranger, her smile was contagious. Gloria and I lost contact for about 10 years, no particular reason but the beginning of this year we reconnected via Facebook. She would text me weekly almost to check on me but I should of being checking on her first but Button, that how she was.

*I believe God brought her back into my life to show me no matter what we go through or feel like, WE MUST SMILE, She has such an unspeakable Joy.*

*Gloria you will be missed.  
To the family may the God Peace comfort you in this time.*
