“ Our thoughts and prayers are with the family in this time of sorrow. Continue to rely on God and know that he hears your prayers, because he cares for you. Thinking of you all.

“ Gloria was my best friend and we grew up in NY together. I'm going to miss her terribly. I'm glad I was able to speak with her a few weeks ago. She will truly be missed.

“ Whenever I think of my sweet sister, Gloria, I’m taken back to the days when I literally looked up to her-when I was short enough to stand beside her with my arms around her waist! She was like a mother to us, me & Adrienne..She took us to the playgrounds; parks; movies; the Bronx Zoo; boat rides; the annual trips to the circus...while she & Bunny bathed us, told us bedtime stories, & instilled the love of literature & art into our lives. Gloria especially loved to give us motherly advice which was great until we became teenagers & thought we knew it all! She once told me that she liked taking us kids to the movies, shows, etc because she enjoyed those shows herself & needed us for her excuse to go...She liked to recall the time she took us to the movies with our best friend, Joan. Capt Midnight, a has been TV star more of her generation, made a stage appearance & the many children in the audience went wild...they threw anything they had at him, booing him off the stage! I think Joan got caught up in the frenzy & threw her box of candy which landed on someone’s head! Gloria was mortified & embarrassed at the time-but boy did we laugh about it soon after...& for years later too!....She had a wonderful sense of humor, loved to tell stories, enjoyed traveling, & generally enjoyed life & other people...We should all be lucky enough to enjoy such a life fulfilled. I miss Gloria already, but I have my lifetime full of memories with her, & our remembered conversations.....
LOVE YOU.....Maxine
