“ *Mrs. Benta was my daughter's 5th grade teacher at Rainbow Elementary. My daughter is now a senior at Tennessee State University. We learned of Mrs. Benta's passing during a family discussion on Thanksgiving. I wish I would have known sooner so that we could pay our respects. Rest well Mrs. Benta <3. You were one of my daughter's favorites.*

“ *Condolences to the Benta family. It was very difficult coming to the reality that our friend is no longer with us. She was always fun to be around. Goldine's infectious smile and her wise counsel were but a small part of her virtuous woman's character. She will be sorely missed.*

“ *Mrs. Benta was my 5th grade teacher and she was the best. After I left elementary school I never got to see her again. I miss her so much and if I ever got to see her alive again it would be a blessing but I guess it was her time. 😭*

“ Mrs. Goldine Benta and I were colleagues at Antigua Pilgrim High School. Mrs. Benta was a tremendously gifted teacher, and a very kind and spiritual person. I am certain over the years she has touched and influenced many lives. I thank God for the opportunity to have worked with her. May God truly comfort Dean and your family as you go through this time of sorrow. I am certain you have many precious memories that will be of great comfort.

Sincerely,

“ May the grace of God be experienced in phenomenal ways, in the lives of Pastor Benta, the children and grandchildren. She is gone but certainly not forgotten. She was a real sister and friend to me when we were in College together. Whenever she needed help during her challenging times with health issues, she will call for my help. She became someone who I could always look to for her unique smile, to cheer up my day. May her soul rest in eternal peace. Shalom.

“ *We can't begin to imagine what you feeling, but please let us share our hearts felt condolences.
In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy because the former things have passed away. With caring thoughts.*

“ *Dean and Goldie were foster parents to our great-granddaughter Maria when she was a small child They welcomed her into their life with open arms and smothered her with love. She learned so much and has such wonderful memories and wonderful life seeds planted that have grown and blossomed over the years. Now Mariah will have her own very special guardian angel to watch over and guide her thru the rest of her life. Rest In Peace Godie We will always remember you and love you!❤️🌈*

“ Your mom was my very first Sunday School teacher in STX (1970's) and I spent time under her mentorship in the family home (with her mom, siblings, etc.) before and even after she married your dad. Together they complimented each other sooooo well!

Lem was teeny when I first met him....all of you were just good people. I am so saddened by her transition but we have the promise of Christ that we will meet her again in Heaven. I'm glad I had the chance to tell her just how much her legacy meant to me both in my professional and spiritual growth.

Praying for your family.
