“ I didn't know Gracell for very long, but the time I did know her I can tell you this, she was one of the sweetest children I have ever had the pleasure of meeting. She was smart, polite, spirited, kind, loving and so very loveable. And I have to complement her mother for that, for the fact that she raised such a beautiful child. Gracell and my daughter Riv'ey were thick as thieves. I speak for both of us when I say we miss her dearly. I miss her and my daughter on my front porch playing dolls. I miss seeing them ride their bikes together. I will listening to the silly little songs they made up and sung together. I miss seeing Gabe, Gracie, and Riv'ey at the bus stop in the mornings. But most of all I miss seeing her sweet face. My mother always told me that God doesn't make a mistake and that he will never give you more then you can handle and after losing so many people in my life, I am a firm believer in that. Gracie may not be here with us physically anymore, but she will always be with us in spirit, in our memories, and in our hearts. Rest in peace Gracie, we all loved you.

“ To the Family: I'm sorry that your loved one fell asleep in death and I offer sincere condolences and encouragement from the Scriptures. Jesus said: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." - John 11:25. God's Word promises: "The hour is coming when all those in the memorial tombs will hear Jesus' voice and come out." - John 5:28, 29. Please keep in mind that God cares for you and "He is for us a refuge and strength, a help that is readily to be found during distresses." -Psalm 46:1
