“ Back in 2015 I met one of my bff, u were truly a blessing in my life, I learned a lot and u will truly be missed so many good memories from times going to eat and the phone calls. I was calling to stop by and see u as usual when I'm on that side of town and that's when I found out u were no longer here.

U were truly a good genuine rare friend that doesn't come often ❤️

“ Greg, My High School Sweetheart, I was so heartbroken to hear of your passing. It has been so many years since we last spoke. Our conversations, which started with you calling me "Great Scott", (no idea why you use to call me that), went from you being jokey Greg, to you being such and enlightened spiritual man, and I loved that transformation for you. To Ms. Junice and all of his family and loved ones, I extend my heartfelt condolences. Rest in Paradise my friend...
