“ I was an assistant principal at Riverdale High School in the 1990's when Greg Barney was just beginning what would be a long and stellar career with the Riverdale City Police Department. Whenever the other administrators or I needed assistance, Greg was the first officer walking through the doors to help us. We could not have done our jobs without Greg's continued support. He kept both the faculty/staff and students very safe. Greg was a good man, a real stand up kind of guy. Although he was passionate about his police work, he was equally as passionate about kids and making certain that they did the right thing. I loved working basketball games with Greg, for he was really funny and made the hours pass by more quickly. Greg was a real sweetheart, a very kind and caring man, a very decent person. Greg was an exceptional human being and someone who will be missed.

I am a Clayton County resident and I remember Officer Barney from the courthouse, very friendly and caring smile, always courteous, Thanks for a job well done, you will be missed. My prayers are with his family as well as colleagues. *Pam

Major Barney was one of the finest officers that I have ever had the pleasure to work with. He always came into the communications center with a smile and could brighten up the worst of days with his great attitude. He will be sorely missed by all. May God's peace and understand be with his family and friends and may He give strength to his wife and sons. R.I.P Greg Barney.
