“ After 14 years of working directly with Greg, I can truly say he was a very special person. He just had the ability to bring the best out of people with just a smile or his gentle demeanor. I was very grateful to have called him a friend and learned so much from him.

“ Gregory Bolton, one of 6 children, a man was a wonderful fun brother. He was loved by family, friends and co-workers. He had a great sense of humour and gave some really great hugs. He has gone home to be with God and his mum whom he missed a great deal after her passing. We love you Greg and now have a hole in our hearts. You will always be loved, missed and never forgotten. Love you like crazy! You sister Deb! 🥺🥺🥺💔💔💔💔💔💔
