“ *What can I say about Greg. He was my friend. He was a professional at work. He would come in early and he did not have a hair out of place. His car would gleam from being so clean! I learned how to be more professional at work because of Greg. He would say Ted you are not wearing that sleeveless shirt to a customers house? And I would laugh and show Greg my shirt I would keep in the car for going to inspections. It will never be the same without Greg here. I love you buddy and I will see you in Heaven*
