“ *Condolences to the Goodson family. Greg was like the brother I never had. My fond memory was when we played badminton at one of the family gatherings. Know that your presence on this earth was not in vain. Your presence touched the lives of many never to be tarnished by time.*

*To the Goodson family stay strong though the journey will be difficult. We thank you Oh Lord for allowing us to spend time with one of your Angels though the time was short. We will not question your decision to call this Angel home so early because YOU know what's best. Greg you have your wings now and you are free to fly.to join some of your other family members. You will be dearly missed by many.*

*Thank you Oh. Lord  
Amen*

“ *My sincere condolences to the family of Officer Goodson. He was always a bright light in what could easily be described as a drab situation sometimes in the GA. Dept of Corrections. Always had kind words and inspiration. May the peace that passes all of your understanding guard your hearts and minds through Christ Jesus. You are in my thoughts and prayers 🙏*
