“ *I recently found out and truly am sadden about the news, I went to sscms and Mr. Thigpen was like a father to me , he help me in times when i really needed someone the most. Without him I don't think I would ever believe in myself. Much love from a past student who always valued your advice and help.*

“ My dear Classmate, Gwen:
I send to you my condolences and heart felt sorrow in the passing of your husband Gregory and one of my truly favorite people during our time at Smith. Like everyone is saying , that smile was like gold! Thigpen always was a supporter for me and other members of the football team when we were freshmen trying to find ourselves and our football identities. He would travel to all our games and, win or lose, he was all ways talking bout the next game, keeping us looking ahead. This was strongly evident during our Junior year when we went 8-3-0 and tied for the southern division champions. He was a true motivator but he did it in his own quiet way. A strong personality of support. I owe him much for my success as an athlete at JCSU.
You ae in my prayers classmate and this was a major shock to my system when I heard the news..So sorry I was unable to make the Home Going...
GOD Bless YOU and may you live with the memories of "THIG" to guide you "FORWARD".

“ My favorite memory of Mr. Thigpen was when he took about 5 8th graders (including me) to a leadership type of event for students across the area back in 2001. He also saved my classmate's life when he choked on a hard candy at that event. I will always remember his laugh and heart. He was the most sincere counselor I ever had growing up. He will be missed ❤️
