“ I am truly sorry that I could not attend the funeral as I was out of the country. I sat with Greg at the memorial given for Rodney Hicks. Greg spoke, and his tribute to Rodney was so touching. Greg was on the panel that interviewed and selected me to join GA Child Support Enforcement. We worked closely and traveled often together for meetings and conferences. I will forever remember Greg's sense of humor and his genuine kindness towards me. He practiced his faith daily. Greg was more like a big brother to me than a co-worker. Wishing the family Grace, Peace and Strength during this grieving season. May the good memories carry you through day by day. Eric Kotcha

Greg was a real gentleman and one of the kindest people I knew. We both worked for Child Support and loved our jobs and our cohorts who were like family. As Eric K so eloquently stated above Greg's words at Rodney Hick's funeral were heartfelt and touching. I was shocked that Greg passed so soon after and at such a young age. My thoughts and prayers go out to his family. The world lost a good soul. RIP Greg.

“ *My condolences to the family. I regret that I will be out of town and unable to attend the funeral. But know that Greg was respected by one and all of us that worked with him at Child Support Enforcement. I last saw and talked with him at the memorial given for Rodney Hicks. He appeared frail then. My prayer for the family is that God will grant you peace and fond memories of a good man lost, but now residing in paradise. Blessings to all, Robert Swain.*

“ *I cannot believe he is gone. One of my favorite cousins is gone on to glory. He gave me away at my wedding because I did not have a father. We always communicated. I'm gonna miss him. 😭
Condolences to his wife and daughters. 🌹*
