“Gretchen was a great neighbor, friend and colleague. You never had to wonder what she was thinking because she would tell you in her own special way. I had the pleasure of working with her at Shoal Creek Elementary. She was a true ‘Shark’ through and through. She cared deeply about the students she worked with in her classroom. She developed relationships with many students that lasted through their high school years and beyond. I will miss seeing her sit on her porch when I drive out of the neighborhood. She always had a comment or a friendly wave to share. She was definitely one of a kind and she will be missed by all. God Bless! Blake Craft
