

Gretel Victoria Nephew

February 9, 1950 - July 16, 2020

Grace was born in the small town of Sherwood Content, Trelawny, Jamaica. The eldest of 6 children and the only girl. As with most female children who grew up in the 50s and 60s, she had to split her time between school and taking care of younger siblings. She spent most of her time with her grandparents who she absolutely adored, as they did her. A fiery child, who quickly defended her brothers, she never backed down from a fight.

At 17, she left Sherwood Content and moved to Kingston to seek out new opportunities. She worked various jobs until landing a job at Jamaica Broadcasting Company as a receptionist. From there, she moved to the Tourism Board. She gave birth to two boys, four years apart, Marlon, and then Kirk. Her boys meant everything to her. Everything decision she made since they came into the world, every action, every sacrifice, benefited them. She was determined to make sure they had a strong, solid foundation. She would only attend church on special occasions, but she made sure that her sons attend every Sunday. Not just Sunday school, they had to stay to back for the regular church as well. It was important to her that they knew Jesus as their Lord and Savior.

She immigrated to the States around 1990 and settled in Maryland where she found employment as a Nanny and a Home Health Aide. She made many great friends along the way and they were always there for each other through

the years. She later became a member of the National Wesleyan Church in Hyattsville, MD.

She was diagnosed with non-Hodgkin's Lymphoma in 2014 and went into remission in 2015. The cancer returned in 2017 and after another round of treatment she again went into remission. The treatment eventually took its toll and Grace passed away peacefully at home surrounded by love, on June 16th. She is survived by her two sons; Marlon and Kirk, grandson Cameron, Daughter-In-Law Veronica, brothers Lansford, William, Rupert, and Strickland

“ Greetings and condolences to Grace's family. I will always remember her as a firm, straight to the point, hard worker, independent and resourceful woman. She used her mind and abilities to make the most of what God has placed in her hands. She loved her family and was proud of the wonderful caliber and character type of men her sons became. Rest on Gracie, you made it home safely - Sincerely Glenda
