“ Honoring the life and legacy of Mother Gretha Lee Pickett at her homegoing. God wants us to walk a life of integrity, humility and kindness, and to show great love and mercy, not only for our family and friends, but for the least of these. She is now at rest, safe in the Master's arms, and her loving memory will never be forgotten.

“ I'm so sorry for your loss. It's really hard to find just the right words to say in difficult times like these. But I would like to encourage you to read God's word because it's so very comforting, it brings clarity to all the unanswered questions regarding death and most of all it gives us so much hope. I too lost someone very dear to my heart but I learned to take comfort on what Jonh 5:28, 29, Acts 24:14 and I know this will happen because Hebrews 6:18 says that the creator of all things cannot lie. Be strong, take care... I will keep you and your family in my prayers.
