“ Dear Carthan Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ Leroy and family...
Was sadden indeed to hear of Gwen's passing...We grew up together and shared many good times...I pray that her journey was a good one and that she rest in peace...He said that he would be whatever we needed, believe it and rely on his word...May God bless you and your family. With love,
