“ Dear Dean Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous” May you have peace as you think about this beautiful hope for the future.

“ Family, I'm so very sorry for your loss. I'm just another member of Gwen's work family adding my voice. She was my trainer and she never once raised her voice and was endlessly patient with me. I still miss running in to her in the hallways and seeing her lovely smile.

“ There has never been a kinder, warmer, more considerate person at the University. She was everyone's favorite. We missed her when she left for retirement, and now, we will miss her even more. I am sure I speak for the entire college when I say, you have our greatest, sincerest sympathy.
